“20/20 Gene Systems” CEO Jonathan Cohen Discusses His “Jobs Act” Crowdfunding Offering on the “Reg.A Money Show”

Las Vegas (11/15/2017) — The Reg.A Funding Group announced today that they have published their latest “Reg.A+ Money Show” radio podcast which features “20/20 Gene Systems” CEO Jonathan Cohen as he explains exactly what his company does, its goals, strategies, and [how investors can get involved](#) in their efforts on the Microventures Crowdfunding portal.

Cancer is the second leading cause of death in the world. However, as Mr. Cohen mentions on the podcast, many tumors are not lethal if detected early enough to be surgically removed before they spread. 20/20 GeneSystems’ mission is to reduce cancer deaths in the U.S. and around the world through early detection and precision medicine.

Besides being [syndicated on the iHeartRadio Network](#), you can access the radio show podcast here: <http://ipotogo.com/2020>

Said “Reg.A Money Show” co-host Ron Costa, *“We were happy to have Mr. Cohen on the show to discuss his company's vision. Cancer touches so many families, it's good to see there are crowdfunding investment opportunities out there specifically dedicated to help battle this dreaded disease.”*

ABOUT 20/20 GENE SYSTEMS:

20/20 GeneSystems, Inc. is a Rockville, MD based company focused on reducing cancer mortality worldwide. They have pioneered a novel approach called “20/20 Hindsight” of continuous machine learning using large patient data sets of biomarker values with clinical factors such as age, gender, and smoking history to improve the accuracy of the most widely used cancer biomarkers. Their flagship product, “OneTEST” – a new multi cancer test which can help detect over 6 types of cancer, with up to 90% accuracy, using a standard blood test – will be available in the US beginning Q2 2018.
