“Reg.A Money Show” Podcast Addresses How the “Jobs Act” 5-Year Anniversary Will Affect Emerging Growth Companies

Las Vegas (11/09/2017) — The Reg.A Funding Group announced today that they have published their latest “Reg.A Money Show” podcast which addresses what an Emerging Growth Company (EGC) actually is and exactly how the “Jobs Act five-year anniversary will affect these EGC’s going further.

The first of these emerging growth companies will begin losing EGC status as the five-year anniversary of the Jobs Act’s creation of an EGC has now passed – and many are not happy with the increase in regulatory compliance that they’ll soon have to deal with. The podcast goes into detail on how they may react and sheds light on a Regulation A+ issuer’s decision on market listing options such as OTC QB/BB, NASDAQ, NYSE, and others.

Besides currently being heard on the [iHeartRadio Network](http://iHeartRadio.com), the podcast episode can be accessed here: <http://ipotogo.com/egcpodcast>

Said “Reg.A Money Show” co-host Ron Costa, *“With respect to Regulation A+ offerings, emerging growth companies are a hot topic. Companies need to know their options and this podcast episode provides some interesting information on the future of that designation.”*
